

Revealing the Heritage of the Brecks Conference

Saturday 24 June 2017 10:00 – 16:00

The Carnegie Room, Cage Lane, Thetford, IP24 2EA

Since 2014, the Breaking New Ground Landscape Partnership Scheme has delivered a wide range of projects focussed on the rich natural and historic environment of the Norfolk and Suffolk Brecks. As the project enters its final months, we are holding a one-day conference to celebrate the numerous heritage projects undertaken by volunteers as part of the scheme. Tickets are free and can be booked using the link below. A free buffet lunch, tea and coffee are also provided.
